DAVE DYER INTEL

CURRENT POSITION:
SENIOR VICE PRESIDENT
WARNER BROS.

Dude. We're just curious. After that gonzo run with "Levitating" it looks like you put the prize on the shelf and moved on. But then it, uh...levitated back up the chart. This is rare and unseen chart acrobatics. Is this a stunt regarding the name of the single?

This record should give everyone faith that hit records will always get their chance to have their potential realized. Honestly, research is weird in the time of Covid and while all the metrics were there it took awhile to come around in research. Interesting fact: first spin on "Levitating" was April 10th, 2020.

Barack Obama, Christopher Walken and Joan Jett drop in to your office at 6:45pm and say, "Davey, we're starved. Let's go to dinner and talk about (fill in the blank). Where would you take them, what would you order and what is the discussion topic?"

You had me at Joan Jett.

No for real - I don't think I would be able to concentrate on those other two dudes.

We'd go to Arturo's on Houston and have the Lobster Fra Diavolo.

And of course, I would hope Mrs. Jett would tell stories all night.

In the last 2-3 years the landscape of promotion has changed. What is the most important new thing a budding promo exec should know and what old school strategy is best forgotten?

First and foremost- the value of radio is as massive as ever. You can be a big star but if you want tonnage, I mean world-wide massive star power, you need U.S. radio.

Oh, and don't call people "Buddy".

Warner has a massive global pop presence. Is it us or do global streaming hit tracks seem to end up on US Pop radio faster than before?

Sorry, I was lighting my cigar...say that again?

You are given 5 front row seats to any artist (current or historic...living or uh, not currently breathing). Besides you and Heidi, the other 3 seats have to go to a radio programmer, a music exec from another label and an artist. Who are the other guests and who's performing?

We're going to see Prince with Buster, John Strazza and Dan from Dan + Shay.

Sources included Amazon, Apple, You Tube, Google Play, Napster, Pandora, and Slacker, combined to provide you a pinpoint look at the top streaming songs.

JAX - "90'S KIDS"

MMI went to the carnival to ride the Tilt-a-Whirl and found former American Idol contestant Jax spinning in circles with a salute to all things retro in "90's Kids". Then we flipped on SiriusHits1 and they were spinning said single. Digging deeper, we found the video was a left handed salute to the film adaptation of Stephen King's "Stand By Me" and the classic "Lard-Ass Barf-o-rama" scene. Wow, what a day we've had!
