

Levitating

(From Latin: 'levis' Verb, gerund, smash)

'Lev-ah-ta-ting'

1. To rise or to cause to rise, creating upward movement by increasing spins.
2. To frequently rotate. As to 'go up'.
3. To analyze research and to react in an upward direction.

ALEX TEAR INTEL

CURRENT POSITION:

VP POP MUSIC &
PROGRAMMING
SIRIUSXM + PANDORA

Congratulations, you've successfully made the jump from terrestrial radio to SiriusXM. What are the fundamental Programming differences between satellite over terrestrial?

First, I love that we've gone beyond Satellite to your mobile devices on the SXM App! Overall, there are several differences, the main being a subscription service that allows us to clear the commercial clutter to create unique programming that ignites and excites our National audience. We're a type of North American audio Netflix w/ a wide variety of mass appeal and niche tastemaker content that's served up in multiple forms. My hands down favorite part is the music. Being able to consistently partner, surface and elevate new music on such a massive stage with full support and encouragement is very exciting. I'm also a huge fan of our SiriusXM Programming community, resources and relationships to get things done.

In a nutshell, what makes Venus different from SiriusXM Hits 1?

Venus has a more pop melodic soul with a deeper gold library that delights and surprises. Although we're "hit" driven, I love how musically wide and unpredictable we can be. Hits 1 is a well-rounded mass appeal pop station that elevates new music and trends in pop culture now.

You are going to dinner at any restaurant you choose in the world. Other than immediate family, who would you want to dine with most (living or not), where would you go and what would you discuss?

If I had to choose between John Hughes, Prince or Walt Disney ... it would likely be John Hughes. He made a wonderful impact on me through his audio and visuals which in part has made me the human that I am today. "The question isn't 'what are we going to do,' the question is 'what aren't we going to do?'" -Ferris Bueller. The restaurant would be Scarpetta ... the Spaghetti, and we'd talk about his body of work.

What is the most important metric in determining if a single is working on your channels?

When measuring audience reaction, passion and favorite. We have exceptional resources to read the room.

We all have hero's that shaped our careers. Who's one of the most influential radio on-air personalities that affected your path?

Professional Radio DJ Pronounciator Michael Scott & Super Shan Shannon.

Sources included Amazon, Apple, You Tube, Google Play, Napster, Pandora, and Slacker, combined to provide you a pinpoint look at the top streaming songs.

50	WEEZER	All My Favorite Songs	Crush Music/EMG

BELLA POARCH

“BUILD A BITCH (BEHIND THE SCENES)”

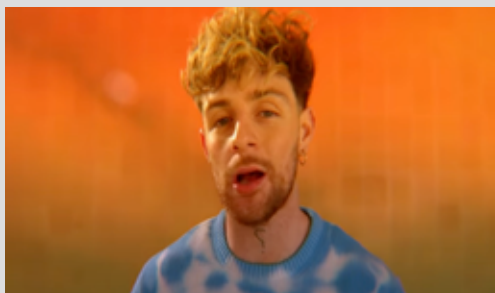

Talking about breaking the 'net! Bella's "Build a Bitch" video clip has broken more records for TikTok views than Babe Ruth's bat. We thought we'd take a quick peek at some behind the curtain production tricks for this whacked out masterpiece. Click here:

Check out these videos hand-picked by our staff!

TOMMEE PROFITT FT. FLEURIE - "IN THE END"

To some, Tommee Profitt flies under the radar. To others, he's a massive star racking up multiple TV and Gaming tracks which hit billions (with a B) of eyes and ears. He's also is a major force in Christian Pop. Representing the "New Cooler Hipper Nashville" along with frequent collaborator Fleurie. Here is a cover of Linkin Park's "In The End".. click here:

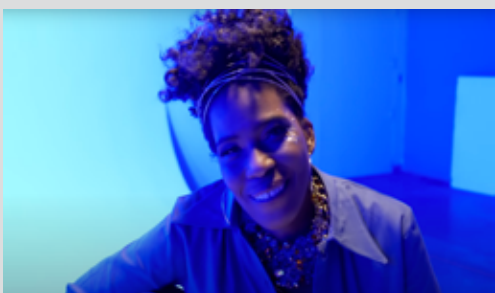

CALVIN HARRIS FT. TOM GRENNAN - "BY YOUR SIDE"

MMI Feelin' Good Alert: Mega-Uber Scottish DJ Producer Calvin Harris teams up with way happening Brit Tom Grennan for "By Your Side". This throw-em-back-good time psychedelic themed clip is nothing but fun. It's like you go to this club and you take this pill and then this happens (we hear).. click here:

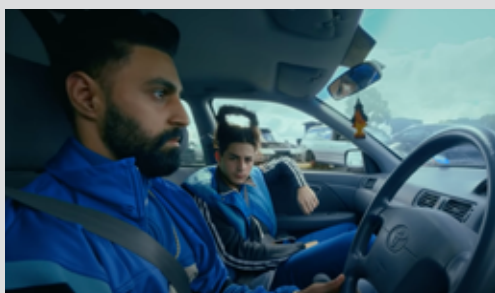

KAYLA NICOLE FT. TAYLOR GIRLZ - "BUNDLES"

Okay everyone, you gotta do it home-made-like. One of the Summer's fun tracks is going to be "Bundles" from Kayla Nicole. It looks like the neighborhood buds whipped out some iPhone video and edit time. This is pure DIY fun featuring a cast of characters so real you'd think they may not be actors! Click here:

MACY GRAY AND THE CALIFORNIA JET CLUB - "THINKING OF YOU"

Wow. So cool, blue and Macy Gray. An OG high priestess of funk re-emerges with a slow and sexy groove that leaves you wanting more Macy. "Thinking of You" is already pinging the Hipper Hot AC sonar screen. Pour a glass of red wine and click here:

DOM DOLLA - "PUMP THE BRAKES"

There's some funky weirdness going down in this junkyard. Dom Dolla spins through the rust bucket bonanza with security cameras clicking. The protagonists piloting these fine autos are way definitely on the shady side. Fix your hair, "Pump the Brakes" and click here:

CHARTS/POWERS:

1 AIRPLAY is calculated by Trailing 14 Days of radio airplay on the Key Influencer radio stations – Top 157 radio stations by Average Quarter Hour. Charts are weighted using currently assigned points in Mediabase...100% point value for Morning Drive, 90% for Afternoon Drive, 80% for Mid-days, 70% for nights, 50% for Overnights.

2 RETENTION is calculated by listener Tune-In and Tune-Out using trailing 6 weeks, weighting the most recent week double, and the five weeks prior equally.

3 NATIONAL CALLOUT contemplates more than 1,000 respondents weekly in four regions geographically equivalent over the trailing 14 days of calls.

4 STREAMING, AUDIO contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.

5 STREAMING, VIDEO contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.

6 SALES is base on 14 days trailing results. Songs with insufficient data are designated as PENDING. Pending songs do not affect Total Performance Score in any way.

HOT ZONE / DEVELOPING

All five components listed above are contemplated. Songs moving up and increasing significantly in TWO or more categories are designated in the Hot Zone. Other new releases are designated as Developing.

RECURRENTS

Recurrents are a simple calculation of songs that have trended downward and no longer qualify for Current status. Trailing 14 days are contemplated, along with 6 weeks of Retention Data, and are computed on a 50/50 level of importance.

ACTION

Songs that are testing either in Callout or in Retention significantly higher than current Airplay rank. These songs are considered UNDEREXPOSED and deserving generally of greater airplay.

STREAMING AUDIO, VIDEO AND SALES

Streaming Audio and Video, and Sales, are based on trailing 14 days data. All major streaming services are used wherever possible, along with sales.

NOTE: Hot AC Callout information is provided as stand-alone information. This data does not factor into the main chart rankings in any way.
