UNCLE

SAM

INTEL

CURRENT POSITION:

NATIONAL
PERSONIFICATION
OF THE
U.S. FEDERAL
GOVERNMENT
SINCE 1812

Great to have you with us on this long holiday weekend. Where have you been?

Laying low, yo. Last year sucked. You cats were choosing sides and finger pointing like the traffic manager who ran a Coke and Pepsi spot back to back. I wasn't getting in the middle of that...everybody was ready to beat everybody else up and I thought my Country was about to be Red, White, Black and Blue. Glad everybody's chilling out and smiling on your brother, everybody get together gotta love one another, right now...again. Plus, I'm pretty old and high risk, so I shacked up at the VFW Hall during the "Pandy".

Do you have favorite radio stations?

Dude, I've been around since the early 1800's. I remember when the Marconi's had that goofy kid Gugie. I told him to connect some wires and I have this idea for Radio Free Europe. I also used to dig Air America. But I can't find it. Maybe I need batteries in my boombox. This weekend I've been streaming American Patriotic Music on my iHeartRadio app thingy.

Anything heavy on your mind?

Really? Where do you wanna start. How about the weather. I fish a lot with Al Gore and he's been all over this for a good American minute. But Lordy, I had an Audacy gig this weekend at a ball game...(you know, waving a folks and posing with the sweaty kids...) in Phoenix. It was 117 and trust me this wool suit it friggin' hot.....hey, look there's Drew Bland....what?

You've been around through all the wars, the turmoil and ups and downs. Does anything surprised you anymore?

Yes. No one has sued Smokey over the poster...my poster! Check em out. A/B them. Me/Him...side by side. He's wearing a hat, pointing a finger...maybe it's a claw but you get my point, and doing the "Only You"...bit. MY BIT. Friggin' bears. Can't trust 'em. And Lee Greenwood's accent. We gig together a lot and he should be a hillbilly but he interviews like Michael Buble. I don't get it.

Is Uncle Sam an Air Name?

Yes, I'm Sam Wilson from Troy, New York. A grocer, butcher by trade. I delivered cases of meat to the soldiers during The War of 1812 and the cases were marked U.S. The dudes thought it was short for Uncle Sam ..ya, know, Wilson...me. And they started calling me that. No, really. No...really really. Google it. I got the hat from Leon Russell's Dad and the beard idea from John Marks great, great grandpa.

If you could give America some advice, what would it be?

Stop shooting each other. That's just stupid. Play more Springsteen. Love thy neighbor. When you see someone in uniform, stop and thank them. Play more cross-over hits. Make a difference. Volunteer. Give peace a chance. Update my suit. Be smart rent a cart. Eat less red meat. Gotta run, I have a telethon gig with Elvis Duran.

Sources included Amazon, Apple, You Tube, Google Play, Napster, Pandora, and Slacker, combined to provide you a pinpoint look at the top streaming songs.

TOBY KEITH

"HAPPY BIRTHDAY AMERICA"

When Toby waves his flag, folks stop and salute. He's never been shy with his patriotism and again brings us his thoughts on "where we are" in the beloved country of ours. If you're enjoying the last day of a long weekend and want one more spin around the flagpole, click below:

MMI SALUTES AMERICAN MEMORIES**MARTINA MCBRIDE - "INDEPENDENCE DAY"**

This record breaking, head turning, shake em up video from the 1994 hit never grows old. Martina remains one of the best vocalists in any format. "Independence Day" climbed up the charts as well as the sky and gave us a new view of the 4th of July. To revisit one of the greatest celebrations of breaking free, click here:

**JAMEY JOHNSON - "IN COLOR"**

MMI's salute to American memories couldn't go without this game changing track from Jamey Johnson. The simplicity of the video captured the razor's edge of the lyric and firmly established Johnson as a force in both songwriting and performing. It brought a real visual element to fighting, living, and dying for our nation's independence. To hear and see it again "In Color", click here:

**DON MCCLEAN FT. HOME FREE - "AMERICAN PIE"**

1971 brought the world one of the most endearing and enduring hits of all time with "American Pie". The 4-week number one smash launched everything to conspiracy theories (about hidden coded messages) to speaking engagements from "experts" explaining the epic 8 minute and 42 second masterpiece. 50 years later Don McLean joins up with MMI's favorite accapella group Home Free for another spin on this timeless classic. If you think you may like a new slice of "American Pie", grab a platter and click here:

**BROOKS & DUNN - "ONLY IN AMERICA"**

Brooks and Dunn extended their lengthy string of number ones with "Only In America" in 2001. Still today, when the duo hits the stage, the single continues to be a show-stopper with confetti, flash powder and frequent guests in full uniform joining for the songs finale! For a fresh look, click here:

**CHARLIE WORSHAM - "HALF DRUNK"**

Charlie may be "Half Drunk" but this song sounds like a whole hit! In this new clip, Worsham paints a picture of budding young love but it may take a few drinks to get the message delivered. Historical reference? The Cowsills 1967 "The Rain, The Park and Other Things". If you connect the dots you may win a daisy! Click here:

CHARTS/POWERS:

1 AIRPLAY is calculated by Trailing 14 Days of radio airplay on the Key Influencer radio stations – Top 157 radio stations by Average Quarter Hour. Charts are weighted using currently assigned points in Mediabase...100% point value for Morning Drive, 90% for Afternoon Drive, 80% for Mid-days, 70% for nights, 50% for Overnights.

2 RETENTION is calculated by listener Tune-In and Tune-Out using trailing 6 weeks, weighting the most recent week double, and the five weeks prior equally.

3 NATIONAL CALLOUT contemplates more than 1,000 respondents weekly in four regions geographically equivalent over the trailing 14 days of calls.

4 STREAMING, AUDIO contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.

5 STREAMING, VIDEO contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.

6 SALES is base on 14 days trailing results. Songs with insufficient data are designated as PENDING. Pending songs do not affect Total Performance Score in any way.

HOT ZONE / DEVELOPING

All five components listed above are contemplated. Songs moving up and increasing significantly in TWO or more categories are designated in the Hot Zone. Other new releases are designated as Developing.

RECURRENTS

Recurrents are a simple calculation of songs that have trended downward and no longer qualify for Current status. Trailing 14 days are contemplated, along with 6 weeks of Retention Data, and are computed on a 50/50 level of importance.

ACTION

Songs that are testing either in Callout or in Retention significantly higher than current Airplay rank. These songs are considered UNDEREXPOSED and deserving generally of greater airplay.

STREAMING AUDIO, VIDEO AND SALES

Streaming Audio and Video, and Sales, are based on trailing 14 days data. All major streaming services are used wherever possible, along with sales.

NOTE: Hot AC Callout information is provided as stand-alone information. This data does not factor into the main chart rankings in any way.
