CURRENT POSITION:

PD/MD
95/7 KKAJ

You have to spend six months working in an ice cream truck on the route between Tampa, Fla ending in Cheyenne, Wyoming. The goal is to sell out of cones and nutty-buddies every day by sunset. You have a driver and two other industry people on your team. Who are they and why? WHAT MUSIC ARE YOU LISTENING TO?

That's an easy and tough question both at the same time. I would use my Market Manager Stephanie Lancaster as one of my sales reps. She is the best I have ever seen. David Stephens (owner of our company) would be my other "seller". And Jen Jen an independant "red dirt" artist promoter would be my driver because she would have enough artists stories for the 6 month trip. We of course would be listening to 95/7 KKAJ on the app with some music from the 70's thrown in.

Your all-time favorite artist ever (living or ah, not currently breathing) is coming to your house tonight for dinner. Who is your dinner date and what are you making for dinner? P.S. No cheating. You have to be able to make it!

Jason Aldean is my guest. My wonderful wife Kayla is my dinner date. And for dinner it's surf and turf consisting of steak medium well with mushrooms and lobster tails flown in from Main with grilled asparagus. And yes I can cook all of it and have on many occasions.

What cartoon world do you wish you could live in for a week?

It's funny that this question is being asked. I have always been a huge fan of spongebob with square pants and was just telling my wife that within the last week.

As a youngster, what stations and air personalities influenced your passion for radio and your career path?

I grew up in Oklahoma and worked at a little AM station (1260 KWSH) That had to be signed off at Midnight this is way back in 1980. WLS out of Chicago would come in through the static and I would catch Jeff Davis in the late night. I also was a huge fan of Larry Lujack at WLS. When I moved to Dallas, Texas in 1982 and found KVIL and the late Ron Chapman. And I have to mention Dave Ricard at 101.5 KGB in San Diego. Amazing talent.

You can transport one furious elephant into any point in history, where would you put it?

I'm not so sure about a "furious" elephant, but if he was a gentle elephant I would like to ride on him in The Macy's Day Thanksgiving parade back in the 20's.

Who are your top 3 favorite artists?

Jason Aldean I have seen him in concert 4 times. He never disappoints. Luke Combs. Darius Rucker although I couldn't name you one Hootie And The Blowfish song. LOL.

If you could go back in time and give your younger self advice, what advice would that be?

I would go back to 1992. I was working at KRFX 103.5 The Fox in Denver. I would say "stick it out" and stay in a large market even though it's part time and swing fill in. I was offered a full time gig in Colorado Springs (top 40 at that time). They flipped it to an alternative format 4 months later and I was blown out.

Elle Magazine 'Song Association' Game

MMI is a teeny bit obsessed with Elle's periodic 'Song Association' game. The magazine's popular feature is googlable (yes, we just made that word up) and also fun to play at home. They recently put our beloved Kacey in the hot seat and between volleys, she took a moment to shed some insight on the fan-friggin-tastic new album (and film) 'Star-Crossed.' Feel free to play along and click here:

ESPN FILMS PRESENTS - "MORE THAN A VOICE"

It's true Southern culture. The magic of Fall college football coupled with the change of seasons brings a new electricity each year. Kenny Chesney and long-time video partner Shaun Silva (Director "Boys of Fall") team up with ESPN films and capture it all with "More Than A Voice". The artistic portrait of the announcers that brought it to life debuts Sept 26th. For a preview, click here:

CONNER SMITH - "TAKE IT SLOW"

Conner Smith sounds like a songwriter. What? No, really. When he sings, his songs unfold and have a personal attachment that brings a real soul to the composition and performance. It's almost timeless. "Take it Slow" sounds like this wonderful song from the 60's folk era but also has all the modern sprinkles of here and now. Wherever it's from, Conner takes you there. This one's special. Click here:

ASHLEY COOKE FT. JIMMIE ALLEN - "GOOD GOODBYE"

Finally and thank goodness.... an upbeat and happy break-up song. Lord, did we need it. Young and uber talented Ashley Cooke puts a much-needed positive spin on one of the Country music songwriter's staples: split-ups. The award-winning Belmont grad teams up with Jimmie Allen and makes saying goodbye a good thing! Click here:

YOUTUBE MUSIC ARTIST ON THE RISE: BRELAND

Breland is the coolest. MMI has been following him since the early 2020 "My Truck" platinum explosion. The New Jersey native grew up in a musical family and began to hone his edgy genius at Georgetown University in an acapella group called "The Phantoms". YouTube music has captures the ascent of an emerging superstar. Click here:

TOMMY EMMANUEL & RICHARD SMITH - "NASHTOWNVILLE"

To understand "Nashtownville" you kinda havtah sorta live here. Firstly, what you see before you, are 2 mega superstars. Australian Tommy Emmanuel has been called the greatest acoustic guitar player on Earth. And the UK's Richard Smith has finger picking accolades for decades. These two join up for a brilliantly staged Nashville street scene that captures the theatrics of our city perfectly! Tune up and click here:

1 AIRPLAY is calculated by Trailing 14 Days of radio airplay on the Key Influencer radio stations – Top 157 radio stations by Average Quarter Hour. Charts are weighted using currently assigned points in Mediabase...100% point value for Morning Drive, 90% for Afternoon Drive, 80% for Mid-days, 70% for nights, 50% for Overnights.

2 RETENTION is calculated by listener Tune-In and Tune-Out using trailing 6 weeks, weighting the most recent week double, and the five weeks prior equally.

3 NATIONAL CALLOUT contemplates more than 1,000 respondents weekly in four regions geographically equivalent over the trailing 14 days of calls.

4 STREAMING, AUDIO contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.

5 STREAMING, VIDEO contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.

6 SALES is base on 14 days trailing results. Songs with insufficient data are designated as PENDING. Pending songs do not affect Total Performance Score in any way.
