# DON McLEAN

## AMERICAN PIE

In the news, there seemed to be a connection. Don McLean (and his signature American Pie) cancelled his scheduled Texas performance at this weekend's poorly timed NRA convention. Mr McLean offered up in a statement that it would be "disrespectful and hurtful" in the wake of the horrors of the Uvalde massacre. And to further punctuate the swirling coincidence, this is all happening as the US observes Memorial Day. Without being political, it was more that eye and ear catching considering the 4 week chart monster from 1971 was about darkness creeping into American culture and over 50 years later, the message resurfaces. With that said, the song and single is a true slice of American culture. MMI unearthed this Earlier Texas performance that's worth a revisit. Click here:

Check out these videos hand-picked by our staff!

### SIA - "UNSTOPPABLE"

We love Sia. She's just mega-Aussie-cool. Like koala bears. If you look way back, you'll find her vocals on the disbanded but long riding band Crisp which has Jazzy/acidic funk. She then migrated to the highly underrecognized Brit Duo Zero 7...all before doing her own thing with tremendous success. In this trippy "I am woman, hear me roar" themed track....she is wearing some mighty big trousers for sure. Try these on and click here:

### FUTURE FT. DRAKE - "WAIT FOR U"

So, here's what's shaking. Future, Drake and friends are playing some awesome game of 'dress up' and decided to go all Game of Thrones. This medieval-ish clip has all the fun props including bloody swords, defending a maiden's honor and storming the castle. Fun? Hell yes, it is. The track is hot, trippy and hypnotic. If thou would like a seat at the feast, clicketh here:

### LOUIS THEROUX - "MY MONEY DON'T JIGGLE, JIGGLE, IT FOLDS" (DUKE & JONES EXTENDED VERSION)

This is beyond awesome. While dialing up our daily Venus on SiriusXM, the MMI music heads started digging on "Jiggle Jiggle". When they proceeded down the rabbit hole, we discovered that BBC Film maker Louis Theroux had tried his hand at "White Brit Rapping"! The 20-year-old experiment found its way to English DJs Duke and Jones who produced this magnificent and mystifying masterpiece. Shake your groove thing and click here:

### JUST KIDDIN - "CHANGE MY MIND"

Summer's here and the time is right for dancing in the streets to this way sticky track called "Change My Mind". The group is Just Kiddin. No really, we're not kiddin', that's the name of these 2 extremely happening English DJ Producers who's hit rap sheet stretches from the booth to the dance floor. This summer sizzler is picking up heat and steaming up the dance charts. Oh, come on, let's dance. Click here:

### SAM SMITH - "LOVE ME MORE"

Sam is feeling better about everything. Including himself. Fame and fortune can be as depressing as it can be bright and in the beautifully producers track, Mr. Smith faces himself in the mirror and decides it's better to be AOK than DITDumps. We love the way the visuals of "added friends and family" reflects in the multiple vocals in the singles stellar production. Cheer up, go out and click here:

# Upgrade to GSelector®

With upgrade incentives and enrollment discounts into RCS Academy, **NOW** is the time to reach out to our Music Scheduling Team!  
[sales@rcsworks.com](mailto:sales@rcsworks.com)

Join the thousands of current programmers who have made the switch to GSelector.

- Dedicated onboarding team who will convert your existing Selector database
- RCS Academy enrollment incentives
- Convert your current contract with no upcharge
- Enterprise Solutions

Experience the latest GSelector scheduling innovations.

- Goal & Rule Based Scheduling
- Multi-Attribute Timed Segue Bans
- No Restriction Scheduling
- Flex Clocks

## CHARTS/POWERS:

**1 AIRPLAY** is calculated by Trailing 14 Days of radio airplay on the Key Influencer radio stations – Top 157 radio stations by Average Quarter Hour. Charts are weighted using currently assigned points in Mediabase...100% point value for Morning Drive, 90% for Afternoon Drive, 80% for Mid-days, 70% for nights, 50% for Overnights.

**2 AIRSCORE: THE AIRPLAY INTEL 3.0 RETENTION SCORE** predicts listener tune-in/tune-out on song play by contemplating the trend over time relationship between local and national airplay, local/regional callout, and audio and video streaming.

**3 NATIONAL CALLOUT** contemplates more than 1,000 respondents weekly in four regions geographically equivalent over the trailing 14 days of calls.

**4 STREAMING, AUDIO** contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.

**5 STREAMING, VIDEO** contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.

**6 SALES** is based on 14 days trailing results. Songs with insufficient data are designated as PENDING. Pending songs do not affect Total Performance Score in any way.

## HOT ZONE / DEVELOPING

All five components listed above are contemplated. Songs moving up and increasing significantly in TWO or more categories are designated in the Hot Zone. Other new releases are designated as Developing.

## RECURRENTS

Recurrents are a simple calculation of songs that have trended downward and no longer qualify for Current status. Trailing 14 days are contemplated, along with 6 weeks of Retention Data, and are computed on a 50/50 level of importance.

## ACTION

Songs that are testing either in Callout or in Retention significantly higher than current Airplay rank. These songs are considered UNDEREXPOSED and deserving generally of greater airplay.

## STREAMING AUDIO, VIDEO AND SALES

Streaming Audio and Video, and Sales, are based on trailing 14 days data. All major streaming services are used wherever possible, along with sales.

*NOTE: Hot AC Callout information is provided as stand-alone information. This data does not factor into the main chart rankings in any way.*
