

A promotional image for the song 'Dress' by Charlotte's Web. The image features a woman with vibrant blue hair, wearing a white button-down shirt, posing with one hand on her head. The background is a solid light blue. In the top right corner, there is a red and white logo for 'MONDAY MORNING INTEL'. In the bottom right, the song title 'DRESS' is written in large orange letters, with the band name 'CHARLOTTE'S WEBS' in a black, hand-drawn style above it. The bottom of the image has a dark blue banner with white text providing chart information and the date 'JUNE 6, 2022'.

MICHAEL FRANTI AND SPEARHEAD BRIGHTER DAY

Let's face it. It's hard to count your blessings with so much evil and negativity that continues to dominate our planet. An unjust war, school massacres and widespread violence going unchecked. The lingering pandemic. But there is one obvious blessing we can count. Music heals. It's not just a catchphrase...There's scientific proof. Global favorites Michael Franti and Spearhead deliver a dose of the best medicine in this inspirational clip of "Brighter Day". Hey, think about it. We all get to work with music..we have the power to change and heal the world. Click here:

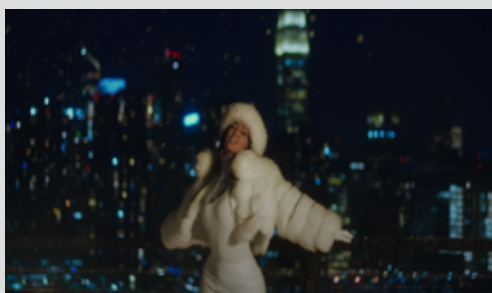

Check out these videos hand-picked by our staff!

CALVIN HARRIS, DUA LIPA & YOUNG THUG - "POTION"

Somewhere over the rainbow and across the ocean's blue waters lies "The Little Island of Upside-Down Cars". Here is where Calvin, Dua and Mr. Thug hang out, dance, groove, and just have a pretty trippy time. This Fantasy Island is populated with pretty people (only) who all dance very well. We just continue to wonder why we the people of MMI are never invited. Click Here:

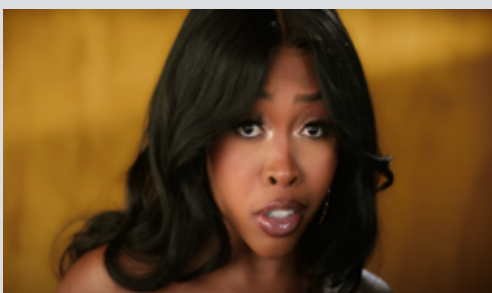

QUEEN NAIJA AND BIG SEAN - "HATE OUR LOVE"

We love it when "The Breakfast Club's" DJ Envy shows up. We vote for one radio personality to be in EVERY video. MMI has spoken. Envy opens this NYC cityscape video from Ex-Idol contestant Queen Naija and pal Big Sean. The whole scene is totally New York from the apartment shoots to the costume changes to the front porch sitting. The whole groove is about haters hating because lovers loving and we're digging on each other but haters keep doing their thang and all. Click here:

MAGGIE ROGERS - "WANT WANT"

No secrets here: we're Maggie Rogers fans. She's soooooo interesting and artistically cool. Trained classical harpist, NYU student breakout act, Grammy nominee, Harvard Divinity School Graduate (what?), Folk artist turned dance/rock chameleon singer songwriter.....whew. In "Want Want" she spills about pure hot desire. Click here:

TINK & 2 CHAINZ - "CATER"

Stop me if you've heard it: 2 Chainz walks into a bar and orders a drink. Then, Chicago's way slinky artist Tink shows up dressed (barely) as a waitress and serves up more than the cocktail, redefining the term "catering service". Again, why aren't we ever invited to these bars? Click here:

CHARLOTTE SANDS - "DRESS"

You know this one. The monster viral smash from Nashville's Uber-Cool blue haired Charlotte Sands? The way groovy ode to the blurred lines of sexuality? You know, the salute to when Harry Styles took a lot of grief for his Vogue Magazine cover in a ball gown? Charlotte is a bad ass. Let's put on a "Dress" one more time and turn up the heat. Click here:

CHARTS/POWERS:

1 AIRPLAY is calculated by Trailing 14 Days of radio airplay on the Key Influencer radio stations – Top 157 radio stations by Average Quarter Hour. Charts are weighted using currently assigned points in Mediabase...100% point value for Morning Drive, 90% for Afternoon Drive, 80% for Mid-days, 70% for nights, 50% for Overnights.

2 AIRSCORE: THE AIRPLAY INTEL 3.0 RETENTION SCORE predicts listener tune-in/tune-out on song play by contemplating the trend over time relationship between local and national airplay, local/regional callout, and audio and video streaming.

3 NATIONAL CALLOUT contemplates more than 1,000 respondents weekly in four regions geographically equivalent over the trailing 14 days of calls.

4 STREAMING, AUDIO contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.

5 STREAMING, VIDEO contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.

6 SALES is based on 14 days trailing results. Songs with insufficient data are designated as PENDING. Pending songs do not affect Total Performance Score in any way.

HOT ZONE / DEVELOPING

All five components listed above are contemplated. Songs moving up and increasing significantly in TWO or more categories are designated in the Hot Zone. Other new releases are designated as Developing.

RECURRENTS

Recurrents are a simple calculation of songs that have trended downward and no longer qualify for Current status. Trailing 14 days are contemplated, along with 6 weeks of Retention Data, and are computed on a 50/50 level of importance.

ACTION

Songs that are testing either in Callout or in Retention significantly higher than current Airplay rank. These songs are considered UNDEREXPOSED and deserving generally of greater airplay.

STREAMING AUDIO, VIDEO AND SALES

Streaming Audio and Video, and Sales, are based on trailing 14 days data. All major streaming services are used wherever possible, along with sales.

NOTE: Hot AC Callout information is provided as stand-alone information. This data does not factor into the main chart rankings in any way.
