DOJA CAT VEGAS

If you have seen the epic Film "Elvis" this track will be familiar as it's from the soundtrack. If you haven't seen the film, you need to slow your roll and get to the ticket booth. It's insanely brilliant and defines the physical power of music. Doja has delivered a performance and video that captures the spell of the film with a specular cameo from Shonka Dukereh who plays Big Mama Thornton in the film. If you wanna play for keeps, click on video:

Check out these videos hand-picked by our staff!

DEMI LOVATO - "SUBSTANCE"

Demi continues to deal with her demons through her art. Substance is a hard rocking and anthemic salute to a modern life of nothingness. It's an angry romp through an all too frequent life of cheap thrills, small screen, and power posing. If you want to purge your self-loathing while turning it up to 11, click here:

LIZZO - "2 BE LOVED"

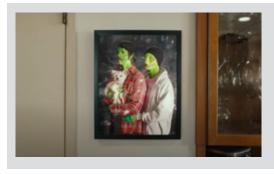

MMI Inside Info Alert: It was H-O-T in NYC when Lizzy took the stage at the Today show last week. But being the pro that she is, Miz Liz delivered with a cool breeze of new music and defined the line "dont ever let em see you sweat". MMI set the alarm just in time to press percolate and catch this live performance of "2 Be Loved". Click here:

STEVE LACY - "BAD HABIT"

Steve busted out from the California cool band The Internet to pursue a solo career. It worked. Dude has already garnered a Grammy nomination and has credibility as a singer, writer, producer, and bad ass guitar slinger. Draped in his signature "S = \$" shirt and tie, Steve solos on the set and delivered a one man dancing version of his song "Bad Habit"....wait a minute, scratch the solo part, he brought his dog to the session. Click here:

GIRLFRIENDS - "HIGH AGAIN"

Firstly, Girlfriends ain't girls. They're dudes. Like 2 of em. The duo consists of Travis Mills. (Aka T.Mills from Warp Tour fame) and Nick Gross. The creative reunited mischief makers have delivered a visual ode to all things positive while being stoned on your butt. This cinematic gem features an impressive performance from a dancing wrecked cop and singing breasts. No, really. So pack the pipe, fire it up, and click here:

YUNG GRAVY - "BETTY (GET MONEY)"

Mr. Gravy is keeping the dream alive by delivering the next chapter of Rick Astley's omnipresent 1987 culture-busting Neo-disco smash: "Never Gonna Give You Up". Yung spins a musical yarn about his love of money and other roots of evil that features a kangaroo. White boy rap: It's not just for breakfast anymore. Click Here:

Video

CHARTS/POWERS:

- **1 AIRPLAY** is calculated by Trailing 14 Days of radio airplay on the Key Influencer radio stations Top 157 radio stations by Average Quarter Hour. Charts are weighted using currently assigned points in Mediabase...100% point value for Morning Drive, 90% for Afternoon Drive, 80% for Mid-days, 70% for nights, 50% for Overnights.
- **2 AIRSCORE: THE AIRPLAY INTEL 3.0 RETENTION SCORE** predicts listener tune-in/tune-out on song play by contemplating the trend over time relationship between local and national airplay, local/regional callout, and audio and video streaming.
- **3 NATIONAL CALLOUT** contemplates more than 1,000 respondents weekly in four regions geographically equivalent over the trailing 14 days of calls.
- **4 STREAMING, AUDIO** contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.
- **5 STREAMING, VIDEO** contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.
- **6 SALES** is base on 14 days trailing results. Songs with insufficient data are designated as PENDING. Pending songs do not affect Total Performance Score in any way.

HOT ZONE / DEVELOPING

All five components listed above are contemplated. Songs moving up and increasing significantly in TWO or more categories are designated in the Hot Zone. Other new releases are designated as Developing.

RECURRENTS

Recurrents are a simple calculation of songs that have trended downward and no longer qualify for Current status. Trailing 14 days are contemplated, along with 6 weeks of Retention Data, and are computed on a 50/50 level of importance.

ACTION

Songs that are testing either in Callout or in Retention significantly higher than current Airplay rank. These songs are considered UNDEREXPOSED and deserving generally of greater airplay.

STREAMING AUDIO, VIDEO AND SALES

Streaming Audio and Video, and Sales, are based on trailing 14 days data. All major streaming services are used wherever possible, along with sales.

NOTE: Hot AC Callout information is provided as stand-alone information. This data does not factor into the main chart rankings in any way.
