# WEIRD AL, JIMMY FALLON & THE ROOTS WITH CLASSROOM INSTRUMENTS

War, elections, global warming... sometimes we just neeeeed some Weird Al Yankovic. His recently released biopic, "Weird: The Al Yankovic Story (Ruku) is gaining rave reviews from multiple sources. On his own version of a promo tour, our pal Al, visited Jimmy and The Roots. MMI stayed up late (for us) to capture this musical hoorah so you can keep regular hours by clicking the video:

Check out these videos hand-picked by our staff!

### ARVIL LAVIGNE WITH YUNGBLUD - "I'M A MESS"

**MMI Real Deal Alert:** This single sure sounds like a fxxxing SMASH! Dang, Wendall. Put it on again, please and CRANK IT. I mean sometimes ya just know. You feel it. Back in the olden days, the PD would take it from the reps hand and walk it to the control room. A few decades later you'd hand it to an intern and say "cart it up". It was what we called an "automatic". Brit singer/songwriter/ TV star YUNGBLUD is the perfect partner as Avril brings her edgy brand back to life with full force. Click here:

### P!NK - "NEVER GONNA NOT DANCE AGAIN"

**MMI Certified Bad Ass Alert:** Our 5th grade teacher, Ms. Browder would not be cool with the double negative in the title but...It's PINK and she can do whatever she wants. And we wanna go grocery shopping with her. This video is as fun and stylistically brilliant as everything Pink touches. So, if your life ain't on the dance floor, get hip and get Pink. Click here:

### BLACK EYED PEAS, ANITTA AND EL ALFA - "SIMPLY THE BEST"

Sometimes you just gotta serve up a slice of Anitta to go with your Black Eyed Peas. Then put some El Alpha Dominican hot sauce on top and your plate is gonna be filled with "Simply The Best". This global rooftop jam session moves and shakes like the 3 train rumbling into Spanish Harlem. Wanna ride? Click here:

### AVA MAX - "MILLION DOLLAR BABY"

Either black or white, good or evil, right or wrong, left or right, blonde or brunette.....whoever she is, she's a "Million Dollar Baby". In this nightclub gone weird video Ava maxes out on dual identities and ends up chasing herself around the backrooms of The Bada Bing. Would you like a table? Say the secret word and click here:

### LOUD LUXURY FT. KIDDO - "THESE NIGHTS"

**MMI Question Of The Week:** Do teenage kids still do this? Sneak out of the house to ride bikes, eat ice cream, and kiss in a tree house? Really? Nobody is staring at a screen! Loud Luxury consist to 2 very in-demand Canadian DJ/Mixer/ producers and KIDDO is a Swedish blonde (go figure) mega vocalist. And SiriusXMs Venus is pounding "These Nights" like a bass drum in the Elmore County Alabama's Marching Band during the homecoming halftime show! Click here:

## CHARTS/POWERS:

**1 AIRPLAY** is calculated by Trailing 14 Days of radio airplay on the Key Influencer radio stations – Top 157 radio stations by Average Quarter Hour. Charts are weighted using currently assigned points in Mediabase...100% point value for Morning Drive, 90% for Afternoon Drive, 80% for Mid-days, 70% for nights, 50% for Overnights.

**2 AIRSCORE: THE AIRPLAY INTEL 3.0 RETENTION SCORE** predicts listener tune-in/tune-out on song play by contemplating the trend over time relationship between local and national airplay, local/regional callout, and audio and video streaming.

**3 NATIONAL CALLOUT** contemplates more than 1,000 respondents weekly in four regions geographically equivalent over the trailing 14 days of calls.

**4 STREAMING, AUDIO** contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.

**5 STREAMING, VIDEO** contemplates trailing 14 days of all streaming. Songs with insufficient data are designated with an "x". These songs do not affect the Total Performance Score in any way.

**6 SALES** is based on 14 days trailing results. Songs with insufficient data are designated as PENDING. Pending songs do not affect Total Performance Score in any way.

## HOT ZONE / DEVELOPING

All five components listed above are contemplated. Songs moving up and increasing significantly in TWO or more categories are designated in the Hot Zone. Other new releases are designated as Developing.

## RECURRENTS

Recurrents are a simple calculation of songs that have trended downward and no longer qualify for Current status. Trailing 14 days are contemplated, along with 6 weeks of Retention Data, and are computed on a 50/50 level of importance.

## ACTION

Songs that are testing either in Callout or in Retention significantly higher than current Airplay rank. These songs are considered UNDEREXPOSED and deserving generally of greater airplay.

## STREAMING AUDIO, VIDEO AND SALES

Streaming Audio and Video, and Sales, are based on trailing 14 days data. All major streaming services are used wherever possible, along with sales.

*NOTE: Hot AC Callout information is provided as stand-alone information. This data does not factor into the main chart rankings in any way.*
